VEHICLE ACCIDENT FLOODING

If you witness or have an incident, and you don't feel there is a need for the emergency services to be called you should **always** report the incident on the internal 2000 emergency line or external number 01292 511199 stating 'No Further Action Required'.

By calling GPA's emergency line it will ensure the correct internal departments are advised; they may respond to assess, photograph and manage the situation in accordance with GPA procedures.

If for any reason the 2000 line is not answered, and the situation warrants you should call the emergency services direct (999) requesting the relevant response – you **MUST** advise Security on extension 1316 if you do this.
