1. INTRODUCTION
Steven welcomed John to the airport and gave an overview of what we were looking to achieve from today's meeting.
2. DISCUSSION ITEMS
<ul style="list-style-type: none"> Steven discussed how he is looking to engage with a local group that provides support to parents and children in South Ayrshire with a view to making the Airport more user friendly for all passengers inclusively. John explained how SAAS came about and his personal experience with neurodiversity and in particular autism. John spoke about how he thinks they may be able to assist by providing some contacts to the airport. Discussion around how we can work together to improve accessibility for neurodiversity in GPA. John advised his daughter who also works with SAAS is employed with NEST and feels we would benefit from her input.
